

 peka

INNOVATION BORN OF TRADITION

The innovative Swiss company offering
imaginative, robust pull-out systems and
storage solutions. 

peka's family of entrepreneurs: Peter Weber, Beni Weber, Sandra Weber Blättler

THREE GENERATIONS OF EXPERTISE

Our company's history goes back to 1964, when Ernst Weber founded peka, a small company manufacturing drawer runners, in Mosen, Switzerland. Thus the foundations were laid for the company now known as peka-metall AG.

His son Peter and Peter's wife Marlis joined the business at a young age, followed shortly afterwards by his son-in-law Osi Merz. Siblings Beni Weber and Sandra Weber Blättler have been with peka for around 10 years and have headed up the company since January 2015.

peka currently employs around 130 people in Mosen, on the shores of Lake Hallwil near Lucerne.

At peka, every step of the manufacturing process takes place under one roof.
Our manufacturing plant in Mosen.

Our highly efficient facilities use the latest technology to turn strip steel into finished products.

Our winning combination of craftsmanship and team spirit enables us to develop new innovations while guaranteeing excellent quality.

WORKING HARD FOR YOUR COMFORT

Your enjoyment of your home is our chief concern. We at peka are passionate about enhancing your enjoyment of your home with our practical, flawlessly made furniture fittings that combine an attractive appearance with unmatched quality.

We have been developing and manufacturing pull-outs, accessories and smart interior solutions for the kitchen and furniture industry for over fifty years.

Our unwavering dedication to producing inventive, space-saving solutions and our resolute refusal to compromise on quality and functionality have made us a global leader in our industry. Today, we are one of the top market providers of larder unit pull-outs, slide-out corner systems and ecologically designed waste systems. Our numerous international patents stand testament to our ingenuity.
