

Shoe pull-out

Two-row shoe rest with full-extension pull-out

Pull the shoe rest out of the unit and remove shoes.

The shoe pull-out for any cupboard or wardrobe. Whether in an open wardrobe or behind a hinged door, the shoe pull-out is at home anywhere. Its two inclined rows give you a good overview of your shoes and the full-extension pull-out makes it easy to operate from above. The grooved and closed base retains dirt and water in the tray, keeping the cupboard or wardrobe clean. The pull-out also boasts an impressive load capacity of 25 kg. The complete set of pull-out and runners is available separately and can be used as an ad hoc addition to shelving.
