

Hook rail

Classic metal rail with six hooks for use anywhere in the home

Mount the hook rail in a unit, on the inside of a cupboard door or on a wall with two screws.

The hook rail is quick and easy to install anywhere in the home – two screws is all it takes. Made from a single piece of sheet steel, the six fixed hooks are extremely sturdy. The hook rail is part of peka's range of cleaning cupboard accessories. Combining these different yet complementary products allows you to make use of every last inch of your cupboard – in all three dimensions. From cleaning products to vacuum cleaners, brooms to buckets, everything is neatly stowed away in a peka cleaning cupboard.
