

Waste system Oeko Complet Aqua S

Waste system with space for boiling water system or water filter

The waste system including a sturdy front pull-out and space for a boiling water system or water filter

Oeko Complet Aqua S is the ideal partner for retrofitting water equipment in a kitchen with the SMS norm without planning effort. The waste system can be easily installed alongside a boiling water system such as Quooker or a conventional water filter in units from 550 mm.

Compatible with (EB 600 mm)

Quooker: Pro3, Pro3 with Cube, Combi / Combi+, Combi / Combi+ with Cube | Grohe: red | Laufen: Vara | Evodrop: EVOfilter | AcquaPhi/Profine: Osmoso Pro, mineral cartridge, Osmoso Pro with mineral cartridge

Compatible with (EB 550 mm)

Quooker: Pro3, Pro3 with Cube | Evodrop: EVOfilter | AcquaPhi/Profine: Osmoso Pro, mineral cartridge, Osmoso Pro with mineral cartridge

Technical data

Type	S
Unit width (EB)	550/600 mm
Colour	anthracite
Load capacity	0-40/110 kg
Volume	40 l
Interior width (LB)	512-518/562-568 mm
Interior depth min. (LT)	495 mm
Interior height min. (LH)	507 mm

Features and benefits

- Leaves space to the side for a boiling water system or a water filter
- Generously sized bins with fixed metal shelf offering extra storage space
- Very sturdy and dirt-resistant metal sliding system with a high load capacity
- Waste system suitable for left or right installation, allowing electrical equipment to be fitted on the side most convenient for operating
- Water and/or electrics can be connected later without having to remove the metal shelf from the waste system

Technical characteristics

- The system can be fitted on either side and is compatible with all unit heights and depths, ensuring maximum design flexibility
- Can be fitted on right or left
- The water unit is neatly separated from the waste system
- Designed for the SMS norm
- Unit is pre-assembled by peka and runners are easy to fit and remove, allowing for quick on-site installation
- Integrated punching template provides simple, time-saving assembly aid
